

SMASHIE

Smashie Token: Smashing Boundaries, Building Community, and Bringing Pickleball to the World + Web3

1. Introduction

Smashie Token is not just another meme; it's a movement designed to unite the worlds of memes and pickleball. We believe in smashing boundaries, both in memes and in real life, through our community-driven, entertaining content, with the potential of hosting real-world pickleball tournaments in the future. Our vision is to grow Smashie Token into something big enough to make these tournaments a reality, building a passionate community around this exciting sport and our token.

Smashie Token acts as a utility token, enabling participation in community activities, events, and content creation within the Smashie community. It is not designed or intended to be a speculative investment.

2. The Smashie Vision

What Sets Smashie Apart?

Unlike traditional memes, Smashie Token stands apart by building a community of passionate individuals who love both memes and pickleball. We aim to unite these two worlds through fun, engaging content, and real-world pickleball events when certain milestones are achieved.

We aim to:

- Bridge Memes and Pickleball: Create a community where fans of both can connect, participate, and grow together.
- Smash Through Meme Boundaries: Push the limits of what a meme can accomplish by integrating fun, community engagement, and pickleball.
- Grow Together: Through continued community involvement and engagement, we hope to make Smashie a household name in the pickleball world.

3. Smashie Community

The Core of Smashie

At its heart, Smashie is about building a community. Smashie Token is the fuel that drives this community's activities, from events to content creation. However, the focus is not on the token's value, but on its role in engaging and growing the Smashie community.

Key elements include:

- Smashie Token: The core token that is used within the community to support participation in events, rewards, and more.
- Smashie Paddle: A unique, branded pickleball paddle that symbolizes the Smashie community's identity. It will be made available exclusively to the Smashie community, serving as both a functional paddle and a representation of our shared vision.
- Tournaments: Community-driven pickleball tournaments, to be organized when we reach key milestones, with rewards in Smashie Tokens.

Our community-first approach ensures that Smashie remains a fun, engaging, and valuable experience for all participants. **Smashie Tokens are designed for use within the Smashie community.**

4. Tokenomics

Smashie Token Distribution

Smashie Token's tokenomics are designed to ensure that the project has the resources to grow while maintaining long-term stability and security for the community.

- Total Supply: 1,250,000,000 Tokens
- Allocation:
 - Fairlaunch: 20% (250,000,000 Tokens)
 - Liquidity Pool: 23% (287,500,000 Tokens)
 - Future DEX Liquidity: 5% (62,500,000 Tokens)
 - CEX Liquidity Pool: 6% (75,000,000 Tokens)
 - Marketing: 20% (250,000,000 Tokens)
 - Partnerships 5% (62,500,000 tokens)
 - Development & Operations: 13% (162,500,000 Tokens)
 - Community Rewards: 8% (100,000,000 Tokens)

Additionally, Meteora has been chosen as the primary DEX for Smashie's liquidity pools to enhance long-term sustainability through LP fees. This model enables consistent revenue streams that will not only support ongoing marketing campaigns but also fund future development within the Smashie community. Unlike many DEX platforms, Meteora's fee structure aligns with Smashie's mission by creating a more sustainable foundation for growth without over-relying on external funding or token sales.

5. Roadmap: The Smashie Journey

Phase 1: Development & Launch

- Token creation on the Solana network.
- Launch "The Smashie Movement" marketing campaign.

- Conduct Fairlaunch
- Initial DEX liquidity provision.

Phase 2: Community & Market Growth

- Grow to 3,000+ community members.
- Secure partnerships in both the crypto and pickleball communities.
- Target \$10M+ market cap and launch the Smashie-branded pickleball paddle available only to our community.
- List on additional DEXs and start CEX negotiations.

Phase 3: Expansion & Community Programs

- Expand marketing to include major crypto/pickleball media.
- Target \$20M+ market cap and deploy final liquidity.
- Launch the first Smashie Pickleball Tournament when key milestones are achieved. (with rewards).

Phase 4: Global Expansion

- Target \$50M+ market cap and explore further CEX listings.
- Build community events, AMAs, exclusive content, and user-driven initiatives.
- Host global Smashie Pickleball Tournament when the community and budget allow. (with rewards).

Phase 5: Dominance & Legacy

- Aim for \$1B+ Market Cap
- Host Global Pickleball Tournament Circuit integrated with Smashie Token.

- Explore partnerships with large sponsors and professional pickleball leagues interested in collaborating with Smashie.

6. Community Engagement

Empowering the Smashie Community

The Smashie community is at the core of everything we do. We engage with our supporters through:

- **Social Media:** Active campaigns on Instagram, Twitter, and Telegram, where members can participate in events and share their passion for Smashie.
- **User-Generated Content:** Encouraging community members to create their own content that reflects the fun and excitement of Smashie and pickleball.

As the community grows, so too will the opportunities for involvement, including community-driven events and feedback on the future of Smashie.

7. Smashie Pickleball Integration

Our Vision for Pickleball

Smashie Token aims to bring the sport of pickleball to a global audience through a combination of online engagement and real-world events. Our long-term vision includes:

- **Sponsoring Tournaments:** As Smashie grows, we aim to sponsor and host pickleball tournaments in person.
- **Collaborations:** We plan to collaborate with influencers and key figures in the pickleball space to promote the sport and grow our community.
- **Building a Global Presence:** Our goal is to establish a global presence for Smashie in the pickleball world through tournaments and

community events.

8. Security and Transparency

Ensuring Trust and Security

Smashie Token is committed to maintaining transparency and security for our community:

- **Meteora Partnership:** Smashie leverages the Meteora platform for liquidity, ensuring that LP fees are reinvested into marketing and development, creating long-term sustainability.
- **Burned Liquidity:** 100% of the liquidity pool will be permanently burned, ensuring it cannot be accessed or removed by any party. This measure enhances security and long-term price stability by locking in value and preventing future dilution of the circulating supply.
- **Smart Contract Audits:** Comprehensive audits of all smart contracts ensure the integrity of the Smashie ecosystem.
- **Regular Updates:** We provide frequent updates on the project's progress, keeping the community informed every step of the way.
